Adrenaline Auto-Injectors and Inhalers

Thank you to everyone who has completed the Google form below. If you haven't done so already, please can this be completed today? Without consent, we won't be able to administer potential life-saving medication to your child. If you have more than one child in school, we will take one response as consent for each child – there's no need to complete the form more than once.

Hot Dogs and Hot Chocolate

Don't forget to pop onto our KS1 yard tonight to buy a snack and a drink from the Friends of Whickham Parochial! The stall will be open from 3.30-4.30pm and we will be accepting cash and card. Thank you in advance to all of our lovely volunteers!

Car Parking

Once again, we have had several near misses due to dangerous parking and driving around school. Please be aware when you are on the school run, to be parking in legal and sensible places. The residents around school are starting to take the registration plates of cars that are parked dangerously, on double yellows, or obstructing access for emergency vehicles and they will be reporting these to the police. To the right is a picture of where is causing a lot of concern, particularly.

When a car is parked here, other vehicles are having to pull right out into the road to look for any incoming traffic, posing a risk to families trying to cross the road and a risk to the driver of both vehicles.
