1 Aims

1.1 Whickham Parochial Church of England Primary School is committed to safeguarding and promoting the welfare of all children. We recognise that children may face different forms of abuse and we work together to protect children from harm. As well as being abused by adults, children can be abused by other young people. This is known as ‘child on child abuse’ or ‘child on child abuse’. The school is committed to preventing child on child abuse and will protect children that may be suffering, or at risk of suffering harm perpetrated by another child. We recognise that child on child abuse is abuse and should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”. We maintain an attitude of ‘it could happen here’ and act in the best interests of the child at all times.

- **Child on Child Abuse** refers to any scenario where a child under the age of 18 abuses another child under the age of 18. It can take place online or offline. The children involved do not

7 Training

- 7.2 Staff receive annual refresher training on safeguarding which includes information regarding child on child abuse.
- 7.3 We recognise the gendered nature of child on child abuse. However, all staff will be trained to understand that all child on child abuse is unacceptable and will be taken seriously

8 Procedures to minimise child on child abuse

- 8.1 The school have a responsibility to minimise opportunities for child on child abuse. We do this by
- Having clear robust policies on dealing with key issues such as cyber bullying
 - Ensuring staff and students are aware of the policies
 - Ensuring robust supervision and be aware of potential risky areas in the school
 - Increasing supervision during key times
 - Taking steps to prevent isolation
 - Separating children if needed
- 8.2 We recognise that some children may be more vulnerable to child on child abuse than others. For example, children who have already experienced abuse, those that have special educational needs or disabilities (SEND), children living in care and children who are LGBTQ+ and/or have other protected characteristics under the Equality Act 2010 may be more likely to face child on child abuse than other children. We work to protect children with additional vulnerabilities by
- Providing support such as social stories through small group and individual instruction
 - Targeting children for mental health support
 - Working to increase self-confidence and body positivity with identified children
 - Providing lessons in self-defense
 - Working with outside agencies
- 8.3 We address child on child abuse through our curriculum, in line with [Relationships Education, Sex and Relationships Education and Health Education](#). The curriculum covers the following issues health friendships, rights and responsibilities, privacy, secrecy, consent and how to seek help.

9.3 Upon receiving a concern, report or disclosure of abuse, the Designated Safeguarding Lead will decide what further action is necessary. This will vary depending on the type of child on child abuse and the severity of the incident/s disclosed. The Designated Safeguarding Lead will take contextual factors into account when managing the report.

9.4 The Designated Safeguarding Lead will always consider the following;

- the wishes of the victim in terms of how they want to proceed. The victims will be given as much control as is reasonably possible over decisions regarding how any investigation will be progressed and any support that they will be offered;
- the nature of the alleged incident(s), including: the level of coercion or threat, whether a crime may have been committed and consideration of harmful sexual behaviour;
- both the chronological and developmental ages of the children involved;
- any power imbalance between the children, including consideration of the age of children and whether children have special educational needs or disabilities;
- the impact on the victim;
- if the alleged incident is a one-off or a sustained pattern of abuse; and
- if there are ongoing risks to the victim, other children, adult students or school or college staff.

9.5 Depending on the nature of the incident/s, the Designated Safeguarding Lead may

- Seek further information from those involved and witnesses.

9.7 Supporting the alleged perpetrator

- 9.7.1 The school has a responsibility to ensure that an alleged perpetrator continues to receive a suitable education and will consider a range of options in continuing educational provision.
- 9.7.2 We recognise that children who perpetrate child on child abuse may be being abused themselves. The school will continue to safeguard the alleged perpetrator and provide them with support.
- 9.7.3 A plan to reduce the risk posed by the alleged perpetrator will be put in place as part of the risk assessment made following the alleged abuse.

- 11.2 Members of staff will follow the procedures for recording a disclosure outlined in the school's Safeguarding and Child Protection policy.

12 Parent/s and Carer/s

- 12.1 Parent/s and carer/s will be informed of incidents unless sharing information puts a child at greater risk of harm.
- 12.2 If the child wishes to withhold information from their parent/s or carer/s, competency will be assessed using the Gillick competency and Fraser guidelines (where applicable).⁴
- 12.3 Children will always be encouraged to speak to parent/s or carer/s about child on child abuse.

⁴ For more information about Gillick competency and Fraser guidelines, see <https://learning.nspcc.org.uk/child-protection-system/gillick-competence-fraser-guidelines>
