Which charities would you like to raise money for this year? Please vote in your class and only choose three options.				
Y2 1. Dogs Trust 2. Cat and Dog Shelter 3. Cash for Kids	Y3 1. Dogs Trust 2. RSPCA 3. Daft as a Brush	Y4 1. Dogs Trust 2. Team Seas 3. Leprosy Mission	Y5 1. Dogs Trust 2. WWF 3. Cancer Research	Y6 1. Dogs Trust 2. FACT 3. RSPCA
We need to buy more equipment for both yards for people who don't have football or basketball. The bags of equipment have lots of bits we don't use that get lost and broken. What would you use? You can only write an idea down if more than half the class say they would use it.				
KS1 Skipping ropes Hoops Wooden play vehicles Chalks Basketball	Y3/Y4 Skipping ropes Hoops Tennis balls and racquets Cricket balls and bats Big dice Plastic animals Bouncy balls Dodgeballs Ankleskips Cup and ball game		Y5/Y6 Dodgeball Volleyball Tennis racquets Frisbees Skipping ropes Hoops Ribbon balls	
We need an environment club. We would need people to do checks on electricity use, do some planting, and do some litter picking (and recording what we find). Would anyone be interested in this role? It may sometimes use up some of your playtimes and lunchtimes. Could you write down names or, if it's a lots of people, just numbers will do.				
There were so many from each class, that Mrs Walton will need to find a way to recruit members – she will let you all know very soon!				
Is there anything else you would like to tell us?				
We discussed other ways to celebrate WonderWall and also 100% engagement with TTRockstars – such as an episode of a tv programme, extra play, extra time with buddies. Children also suggested we do: Art club, Dodgeball club, Volleyball club, Biking club Ice cream option on lolly day Drama day, Song day, Act of kindness to grown-ups day, Pupils versus staff football. They also suggested a book shop and some monitors to keep the footballs blown up.				

School Councillors, please let your class know what we discussed, and complete the preparation sheet for our next meeting.
