

Whickham Parochial Church of England Primary School

Data Breach Policy

‘Let your light shine before people, that they may see the good things you do and praise your Father in Heaven.’

Matthew 5:16

Mission Statement

At our Parochial school we aim to provide a stimulating and caring environment with Christianity at the heart of all we do, in which every child has the opportunity to let their light shine - for themselves, for their community and for the world.

Aims

At Whickham Parochial we believe that every child is entitled to enjoy their childhood, celebrate their individuality and reach their full potential. We aim to do this through:

- Creating a caring school family living by Christian values.
- Celebrating everyone's strengths and efforts.
- Valuing the opportunities we have to contribute to our community and the wider world.
- Offering wide ranging, quality experiences that stimulate children's minds.
- Encouraging respect for others, positive behaviour and good manners, enabling all children to feel secure and valued.
- Building strong links between school, home and church.
- Preparing children for future challenges in a changing world.

We wish every child to take with them happy memories of Whickham Parochial into their future life.

Data Breach Policy

1.0 Introduction

- 1.1 Whickham Parochial C of E Primary School holds processes and shares a large amount of personal data, a valuable asset that needs to be protected.
- 1.2 Every care is taken to protection personal data from incidents (either accidental or deliberate) to avoid a data protection breach that could compromise security.
- 1.3 Compromise of information, confidentiality, integrity, or availability may result in harm to individuals, reputational damage. Detrimental effect on service provisions, legislative non- compliance, and /or financial costs.

2.0 Purpose

- 2.1 Whickham Parochial C of E Primary is obliged under the Data protection Act and the General Data Protection Regulation to
- 2.2 Have in place a framework designed to ensure security of all personal data during its lifecycle, including clear lines of responsibility.
- 2.3 This policy sets out the procedure to be followed to ensure a consistent and effective approach is in place for managing data breach and information security incidents across the school.

3.0 Scope

- 3.1 This policy relates to all personal and special category data held by the school regardless of format
- 3.2 This policy applies to all staff and pupils and contractors at the school/academy. This includes teaching students, temporary, casual, agency staff, suppliers and data processors working for or on behalf of the school.
- 3.3 The objective of this policy is to contain any breaches, to minimise the risk associated with the breach and consider what remedial action is necessary to secure personal data and prevent further breaches.

4.0 Definition/types of breach

- 4.1 For the purposes of this policy, data security breaches include both confirmed and suspected incidents.
- 4.2 An incident in the context of this policy is an event which may compromise the confidentiality, integrity or availability of systems or data, either accidentally or deliberately and has caused or has the potential to cause damage to the school's information assets and/or reputation.
- 4.3 An incident includes but is not restricted to, the following :-
 - Loss or theft of confidential or special category data or equipment on which such data is stored (e.g loss of a laptop, memory stick, I Pad/Tablet or paper record.
 - Equipment theft or failure
 - Unauthorised use of, access to or modification of data or information systems
 - Attempts (failed successful) to gain unauthorised access to information or I.T systems
 - Unauthorised disclosure of special category/ confidential data

- Website defacement
- Hacking attack
- Unforeseen circumstances such as a fire or flood
- Human Error
- Blagging offences where information is obtained by deceiving the organisation who holds it.

5.0 Reporting an incident

- 5.1 Any individual who accesses, uses or manages the School's data is responsible for reporting the data breach and information security incidents immediately to a member of the Senior Leadership Team via the following e-mail address -
Data breach reporting email: whickhamparochialprimaryschool@gateshead.gov.uk
- 5.2 The school will inform the Data Protection Officer for further advice and assistance where required
- 5.3 If a breach occurs or is discovered outside normal working hours, it must be reported as soon as practicable. N.b the school only has 72 hours to report a breach to the Information Commissioner.
- 5.4 The report will include full and accurate details of the incident, when the breach occurred (dates and times), who is reporting it, if the data relates to people, the nature of the information, and how many people are involved. An incident reporting form should be completed as part of the reporting process. See Appendix 1

6.0 Containment and recovery

- 6.1 The Data Protection Officer will firstly determine if the breach is still occurring> if so, the appropriate steps will be taken immediately to minimise the effect of the breach.
- 6.2 An initial assessment will be made by the DPO in liaison with relevant officers to establish the severity of the breach and who will take the lead investigating the breach (this will depend on the nature of the breach, in some cases it could be the DPO)
- 6.3 The Lead Investigation Officer (LIO) will establish who may need to be notified as part of the initial containment and will inform the police, where appropriate.
- 6.4 The LIO will establish who may need to be notified as part of the initial containment and will inform the Police , where appropriate.
- 6.5 The LIO, in liaison with the relevant officers determine the suitable course of action to be taken to ensure a resolution to the incident.

7.0 Investigation and Risk Assessment

- 7.1 An investigation will be undertaken by the LIO immediately and where possible within 24 hours of the breach being discovered/reported.
- 7.2 The LIO will investigate the breach and assess the risks associated with it, for example, the potential adverse effects for individuals, how serious or substantial those are and how likely they are to occur.
- 7.3 The investigation will need to take into account the following:-
- The type of data involved
 - It's sensitivity
 - The protection in place (e.g encryption)
 - What's happened to the data, has it been lost or stolen
 - Whether the data could be put to illegal or inappropriate use
 - Who the individuals are, the number affected and the potential effects on those data subjects
 - Whether there are wider consequences to the breach

8.0 Notification

- 8.1 The LIO and/or the DPO, in consultation with the Headteacher, will; determine whether the breach needs to be reported to the Information Commissioner.
- 8.2 Every incident will be assessed on a case by case basis; however , the following will need to be considered:-
- Whether there are any legal/contractual notification requirements

- Whether notification would assist the individual affected – could they act on information to mitigate the risks/
- Whether notification would help prevent the unauthorised or unlawful use of personal data
- Would notification help the school/academy meet its obligation under the principle
- Whether this breach constitutes a high risk to individuals and therefore needs to be reported to the ICO

8.3 Notification to the individuals whose personal data has been affected by the incident will include a description of how and when the breach occurred and the data involved. Specific and clear advice will be given on what they can do to protect themselves, and include what action has already been taken to mitigate the risks. Individuals will also be provided with a way in which they can contact the school/academy for further information or to ask questions about what has occurred.

8.4 The LIO and/or the DPO must consider notifying third parties such as the Police, insurers, bank or credit card companies, and trade unions. This would be appropriate where illegal activity is known or is believed to have occurred, or where there is a risk that illegal activity might occur in the future.

8.5 The LIO and or DPO will consider whether any press release may be required.

8.6 All actions will be recorded by the LIO and DPO.

9.0 Evaluation and response

9.1 Once the initial incident is contained , the DPO will carry out a full review of the causes of the breach, the effectiveness of the response and whether any changes to systems, policies or procedures should be undertaken.

9.2 Existing controls will be reviewed to determine their adequacy, and whether any corrective action should be taken to minimise the risk of similar incidents occurring.

9.3 The review will consider:-

- Where and how the personal data is held and where it is stored
- Where the biggest risks lie , and will identify any further potential weak points within its existing measures
- Whether methods of transmission are secure; sharing minimum amount of data necessary
- Identifying weak points within existing security measures
- Staff awareness
- Implementing a data breach plan and identifying a group of individuals responsible for reacting to reported breaches of security.
